

Report for National Activities Officer 2016 – 2017

Over the period listed we have held the 2016 75th anniversary AGM

Organised the 2017 AGM

Been part of the team organising the Spring Break 2017, thank you to Ben Allen and Nick Grant. Whilst special mention is made there as they are the members I've been working closely with, the entire team on top table and others also have input to these events.

Collated the National Directory.

Attended all NEC meetings outside of the pre AGM one – I'm kind of busy when that's going on.

I intend to stand for post again.

I intend to collate the National Directory again, so please note the contacts to forwards your Group, Area and National details to:
