

## NEC ADMINISTRATOR

Hello

It's been 3 long years since I was voted on as NEC Administrator which in between that I was HGS. I must say I've had my ups and downs in life but I must confess it has been enjoyable especially when you are trying to hold a full time stressful job like mine. The job is not hard or stressful as you will be taking and typing the NEC Minutes by using a Dictaphone.

I'm prepared to stand for one more term, but if anyone would like to have a try and being NEC Administrator, please do as you will be working along side the handsome and debonair Ian Crawshaw. (come on girls and boys) what are you waiting for plus you will be doing your bit for PLUS.

Love and Kisses

Joanie xx
