

Independent Examiner's report to NAGM 2022

I have audited the National accounts and also the separate event accounts.

I can confirm the closing bank balances as at 31/12/21 are:

- National £16,488.29
- NAGM £2,178.00
- Spring Holiday £4,895.00
- 80th £1,540.01

The loans from National to events are listed below for reference:

- NAGM £2,394 (was £266 as at end of 2020 plus £2,128 paid in 2021)
- Spring holiday £2,682 (no change since 2020)
- 80th £500 (no change since 2020)

A sensible end of year allowance for creditors has been made for events due to happen in 2022.

It is my belief that the National accounts I have examined for 2021 are accurate.
