

National Finance Officer

Alison Jones - Didcot Group Member

I am putting myself forward for National Finance Officer at the AGM February 2022.

I have previously done National Finance Officer role, Northern Area Treasurer, and group treasurer committee roles.

I have worked within accountancy and book keeping roles since I left school so have the work experience.

My relatively new job gives me more spare time as I permanently work from home so don't have the commuting like I did in my last job so have the time to do this committee post if elected.
