

It has been an honour to serve as a VP alongside Adrian and Gerry and I am happy to restand for another year.

After serving on many committees at all levels during my more active Plus years I am pleased to take on a more informal role and still have an eye on what is going on.

I know I speak for Gerry and Adrian as well here but do know that you can come to us for advice whether Plus related or personal, at any time.

Ian Crawshaw VP
