## Anglia & South East Area Plus

- Friday 6th - Monday 9th November 2015: WASH - Manor Park Holiday Village, Manor Road, Hunstanton PE36 5AZ

We went to Manor Park yesterday evening (10/9/2015) to meet the management team. We have a new complex manager called Andy, who has been told all about us by Entertainments Manager Aaron, and he is really looking forward to the weekend.

In response to our request for real ales, they are not able to have any on tap but are able to offer Hobgoblin and Marston Pedigree in bottles. Sunday carvery is from 5pm to 8pm on Sunday, and breakfast will be served each morning including Monday.

Bookings are very healthy, with numbers holding up really well. We were very surprised at reaching 148 last year, as this was 24 up on the previous year, and we may be very close to that figure again.

If you are thinking about coming, do it!, we can accept bookings up until the day before the event. All the bands are booked and we have one or two supprises in store as well.

See you at the bar
